DETAILED ACTION

Acknowledgment

1. The amendment filed on 5/26/2004 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ernest Beutler on 6/30/2004.

The application has been amended as follows:

Abstract

Insert parenthesis before and after reference numbers.

For example: line 1, before and after "54" insert – () --.

Claim

Claim 1, lines 12-13, after "coupling element" change "for selectively retaining" to – that selectively retains –

Allowable Subject Matter

3. Claims 1-2, 4-5 and 7-9 are allowed.

4. The following is an examiner's statement of reasons for allowance.

The prior art does not teach the electrical motor-operated vehicle as recited in claim 1, which includes a frame and a pair of transmission. Each of the transmission includes a coupling element that selectively retains an associated ring gear element against rotation or permitting rotation thereof for selectively driving an associated wheel from an output shaft of respective motors at a speed reduction ratio. The coupling element also permits freewheeling of the associated wheel relative to the output shaft. Each of the transmission also includes an operation mechanism mounted on the vehicle frame and a transmitting system for transmitting the action of the operation mechanism simultaneously to both coupling elements of planetary gear mechanisms. This recitation, in combination with the rest of the recited elements, clearly defines over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
